

**EG4370-MONO**  
**EG4370-TX , EG4370-RX**  
Dimension: 1560x370x120

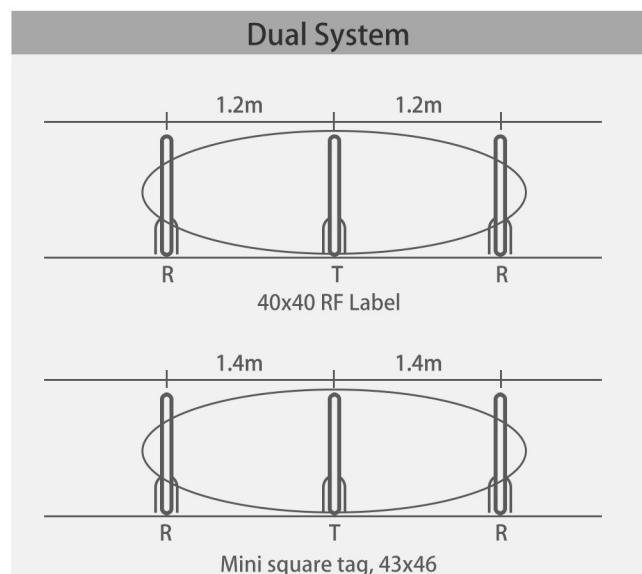

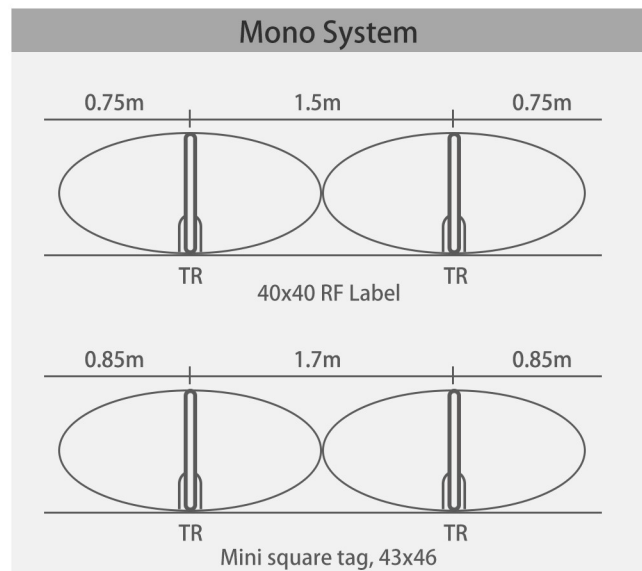

**EG4350-MONO**  
**EG4350-TX , EG4350-RX**  
Dimension: 1550x350x120

## Features:

Mono / Swept

- high coverage, minimal false alarm
- new generation anti-noise damper
- mono - no synchronization required,
- swept-tx and rx antenna inter-changeable
- swept - modulation frequency 160/170/180/190 Hz

## Detection distance:

\*The detection may differ due to changes in environmental conditions.
